

Superheroes Assemble

Using the neurodiverse voice to help
students unlearn

Childhood memories

Remedial

Stupid

Naughty

Day dreamer

Talks too much

Slow reader

Messy writer

Bad speller

Higher education

- Marketised
- Commodified
- Student debt
- Graduate outcomes
- Retention
- Progression
- Outcomes

Teacher identity

- Empathic
- Problem solvers
- Big picture
- Creative thinkers
- Open and honest
- Narrators
- Story tellers

Unlearning

- There's nothing wrong with 'failure' (we all learnt the hard way)
- Why can't students choose how, when and what they learn?
- As educators we have flexibility – no national curriculum
- Higher education is more than just the degree grade or graduate job.
